31

33  
  
 world loves deep and true; When you sing of free-dom,

37  
  
 hum-an hearts sing too. Sing a song of joy with love and

41  
  
 laugh-ter; Sing a song of peace for peace is kind; Sing a song of

44  
  
 hope and cross that riv-er; Sing a song of love for all man-

47  
  
 kind; Sing a song of joy for all man-kind.

Sing a song of joy with children laughing;  
 Sing a song of peace for all mankind.  
 Music is a way across all rivers;  
 Music is a ship for all to find,  
 Music is a ship for all to find.

When you sing of love all the world loves deep and true.  
 When you sing of freedom, human hearts sing too.

Sing a song of joy with love and laughter;  
 Sing a song of peace, for peace is kind.  
 Sing a song of hope and cross that river,  
 Sing a song for all mankind,  
 Sing a song for all mankind.

(Repeat from "When you sing of love")
